

This astronomical image shows a dense field of stars against a black background. The stars are represented by small, irregular patches of orange and yellow light. A dashed white circle is centered on a specific region. Three sources are highlighted with white arrows and labels: LoVoCCS-41B (top left), LoVoCCS-41A (center, marked with a blue diamond), and LoVoCCS-41C (bottom right). The label MCXC J1330.8-0152 is also present at the bottom of the dashed circle.
